

PROVINCIAL TOURNAMENT

FEATURING
**ROCKET
LEAGUE**®

WHAT IS ROCKET LEAGUE?

Rocket League® is a high intensity, action-based game in which players drive futuristic cars to play games of soccer. Players play on teams of three as they attempt to score the most goals to win the match. The game is rated E10+, which makes it suitable for everyone ages 10 and up. The game is also cross-platform compatible, which means players can play against one another on their own gaming device (PC, Xbox, Playstation, Nintendo Switch)

HOW LONG DOES THE SEASON LAST?

The Spring season of Rocket League starts **Wednesday, March 20th** and runs for **six weeks** until April 24th. Games are 3v3 and matches are played online **every Wednesday evening from 6:00pm to 7:30pm.**

HOW DO STUDENTS PARTICIPATE?

Players play matches from their own homes, on their own devices using the match codes provided by OSEA. Every team **must** be connected to its coach during all matches using an online platform approved by the school (e.g., Google Meet or Microsoft Teams).

HOW MANY TEAMS CAN A SCHOOL ENTER?

A school may enter up to **five teams** as long as a coach is available to properly supervise and provide support/coaching. Teams are composed of a minimum of 3 players, with the option to add up to 3 substitutes for a maximum of 6 players.

WHAT IS THE COST TO PARTICIPATE?

Participation in OSEA events and tournaments requires an active school membership, which costs \$100. The game itself is free to download and free to play.

WHAT IS MY ROLE AS A COACH?

You do **NOT** need to know anything about Rocket League® or esports, and you don't have to be a gamer yourself in order to coach! All you need is a positive attitude, a willingness to learn, and a commitment to help support students as they develop their skills! Coaches must be present (online or in person) with their teams during all matches, which involves a weekly commitment of 90 minutes on Wednesday evenings. For everything else, we're here to help and support you so that your students can be successful!

ARE THERE PRIZES?

OSEA does not offer monetary prizes for events or tournaments. The winning teams will be crowned Provincial Champions and will receive a large trophy and/or medals to display in their school. But the best prize is getting the opportunity to compete with your teammates against other schools in Ontario while having fun!

IS THERE A CHAMPIONSHIP FINAL?

YES! And what's more exciting is that the championship finals will be held **in person at the NEXUS Esports Complex at St. Clair College** in Windsor, Ontario! This is going to be an AWESOME event and we are super excited to bring in both middle school and high school teams to participate! The championships will be on **Saturday, May 11th**.

HOW DO TEAMS REGISTER?

The registration deadline is **Saturday, March 9th at 11:59pm**. Coaches can register their teams at www.osea.gg.

WHAT INFORMATION DO I NEED TO REGISTER?

Players will require an Epic Games account in order to use Rocket League. Coaches will need to record their players' Epic Games account usernames when they register their team(s). This information is used by OSEA exclusively for registration purposes and tournament play; all data is destroyed at the end of the tournament season.

WHAT IF I HAVE QUESTIONS?

We're here to help! Please reach out to us at info@osea.gg with any questions you may have about the Rocket League® season or tournament.
